

Dear potential contributor,

This is an exciting and rewarding opportunity for your company to contribute to a very special occasion which hopes to raise money for some extremely worthy charities.

Cardiff Kicking Kids Cancer is a Charity Ball and Auction that has been organised by the family and friends of Cian Case, a five year old boy who has recently completed treatment for cancer in his brain and spine.

It will take place on the evening of Saturday 15th October 2016 at the Marriott Hotel, Mill Lane, Cardiff.

The event will be a celebration that Cian has completed his treatment, and also an appreciation to the many people and charities that have contributed to Cian's care.

Although Cian is the inspiration and motivation behind **Cardiff Kicking Kids Cancer**; the occasion is also in recognition of the work that these charities undertake for all children diagnosed with cancer; not only in Cardiff, but the whole of South Wales.

The charities designated as benefactors to **Cardiff Kicking Kids Cancer** are [LATCH](#), [Dreams & Wishes](#), [Kids Cancer Charity](#), [Clic Sargent](#), [Velindre Cancer Centre](#) and [Noah's Ark Children's Hospital](#). (See attached sheet outlining how each charity has assisted Cian and his family).

We are seeking sponsorship and auction/raffle prizes for the event, so we were hoping if this is something you can help with?

A list of the sponsorship opportunities is attached to this letter. We are sourcing prizes and experiences that can either be auctioned or included in our raffle and were wondering if you could also consider donating something to be included?

You will have the opportunity to choose one of the included charities to benefit from any money raised from your prize (auction prizes only); or you can choose for it to be shared evenly among the six of them. This will allow you to cement any relationships you already may have with these worthy charities, or develop new and rewarding ones.

We will be ensuring that the charity/charities contact you after the event so you can be confident that all of the money raised has reached it's desired destination.

On the night we will be encouraging guests to thank donors and sponsors for their generosity via a number of dedicated social media channels, so that it will create positive coverage of the event and all who have contributed.
